READ—the following paper :—

From the Secretary to the Government of India, Military Department, to the Secretary to the Government of Madras, Public Works Department, dated Simla, 19th June 1891, No. 1489 M.W. (Cantonments—Water-supply).

With reference to the Proceedings of the Government of Madras, No. 3117 W., dated 22nd November 1890, and previous correspondence, relative to the improvement of the water-supply of Bellary, I am directed to state, for the information of His Excellency the Governor in Council, that, as Bellary is likely to retain its military importance for many years, the Government of India consider that the troops stationed there should be provided with an adequate supply of good water, and I am accordingly to request that under His Excellency's orders the necessary project, which should be a comprehensive one to include both the troops and the civil population, may be prepared by the local Sanitary Engineer.

2. The question of the distribution of the cost, including the cost of preparing the project, will be considered when the scheme has been prepared.

ORDER—dated 6th July 1891, No. 1837 W., Public Works.

Communicated to the Local and Municipal Department for issue of the necessary orders, with reference to G.O., dated 15th November 1890, Mis. No. 1705 M.
