GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—again the following G.O., dated 19th May 1891, Nos. 1362-63 W., Public Works:—

Read—the following papers:—

From A. S. RUSSELL, Esq., Executive Engineer, Buckingham Canal division, to the Superintending Engineer, II Circle, dated 6th April 1891, No. 43.

With reference to item No. 2 of the salary disallowance list (herewith sent), No. 14, dated 21st ultimo, I have the honour to inform you that the disallowance therein made by the Examiner of Rs. 62-8-0 represents the difference between my furlough pay at Rs. 350 per mensem and my full pay at Rs. 700 per mensem for the period from 20th to 24th February 1891. The 20th of February was the date, on the forenoon of which I arrived and commenced taking over charge of this division (*vide* my No. 1639, dated 20th February 1891), and the 24th of February was the date, on the afternoon of which I completed the taking over (*vide* my No. 1659, dated 24th February 1891). As I was thus engaged between these two dates, I beg that my claim for full pay for the above period may be laid before the Chief Engineer and sanction obtained for the same being passed.

No. 35 B.C.

Copy forwarded to the Chief Engineer, Public Works Department, with a request that sanction of Government may be obtained for passing the full pay from the 20th to 24th February 1891, as he has commenced taking charge of the division on the forenoon of 20th idem.

2. The authority quoted by the Examiner for the disallowance is article 64 of Civil Service Regulations.

18th April 1891.

(Signed) W. JOPP,
Offg. Suptdg. Engr., II Circle.

Office-note from the Examiner, Public Works Accounts, dated 11th May 1891, No. 2714.

The disallowance was made in accordance with the decision of the Government of India, communicated with G.O., No. 691 R., dated 20th June 1889, and with reference to other occasional rulings to the same effect. As Mr. Russell assumed charge of the Buckingham Canal division on the afternoon of 24th February 1891, sanction of the Government of India would be necessary to enable him to draw full pay from any earlier date.

2. Other rulings of the Government of India to the same effect as the one above referred to have been acted upon for years, but neither the Civil Service Regulations nor any other code contains any such rule, and it seems desirable that the omission should be brought to the notice of the Government of India as the principle is one that has to be applied very frequently.

Order—dated 19th May 1891, No. 1362 W., Public Works.

Ordered that the Government of India be addressed.

Letter—to the Secretary to the Government of India, Public Works Department,
dated Ootacamund, 19th May 1891, 1363 W.

With reference to your letter No. 1593 G., dated 6th June 1889, I am directed to forward the accompanying correspondence * and to request that a clear ruling may be given as to the date from which an officer returning from furlough should draw the full pay of his grade.

2. The point on which information is specially requested is whether an officer posted to the charge of a division on return from leave should draw full pay from the date on which he actually joins such division, or from the date on which he finally assumes charge of it. The Examiner, Public Works Accounts, reads the ruling of the Government of India on the subject to mean that full pay should be passed only from the latter date, but as, in many cases, the procedure laid down in paras. 379 to 391, Madras Public Works Code, may occupy a considerable period, it seems hard that an officer should be restricted to leave pay while engaged in taking over charge, during which time he is actually on duty. In the opinion of this Government full pay should begin immediately an officer joins his division for duty, but, as remarked by the Examiner, a clear ruling on the point is not contained in the Civil Service Regulations or any other code.

3. The same principle would apply to an officer posted to a sub-divisional charge on return from leave.

Ag. Joint Secy. to Govt., P.W.D.

From G. H. D. WALKER, Esq., Under-Secretary to the Government of India, Public Works Department (General), to the Joint Secretary to the Government of Madras, Public Works Department, dated Simla, 18th June 1891, No. 1636 G.

In reply to your letter No. 1363 W., dated the 19th ultimo, requesting that a clear ruling may be given as to the date from which an officer returning from furlough should draw the full pay of his grade, I am directed to inform you that full pay should be drawn from the date on which the officer's duty begins and not necessarily from the date of completion of taking over charge [vide Public Works Department circular No. 20 (Public Works), dated the 23rd October 1889].

ORDER—dated 6th July 1891, No. 1838 W., Public Works.

Communicated to officers of the Public Works Department for information and guidance. Government of India circular No. 20 (Public Works), dated 23rd October 1889, was embodied in Proceedings of Government, No. 3472 W., dated 6th December 1889.

2. The full pay of his grade will be passed to Mr. A. S. Russell for the period from 20th to 24th February 1891, during which he was engaged in taking over charge of the Buckingham Canal division.

3. The ruling of the Government of India will be inserted in the Public Works Code.
