From the President, District Board, Tanjore,
Dated 15th June 1891 No. 193.

On the requisition of the Executive Engineer
Tanjore Division, Rs. 40 and 75 were allotted by

of river bank use as roads side margin.

For maintaining the road along the Canvey right bank from Tirukattu palli to Palamarneri — Rs. 40 — Do for the Vettar left bank Rs. 75 —	The President Taluk Board did not make a special Communication of
---	--

these allotments in view to obtain the sanction
of Government for placing the amounts at the
disposal of the Public Works Department. He
now states that Rs. 40 were included in his
list of allotment for November and Rs. 75
in that of transfer of funds for December 1890.
In these lists, there was no reference to the effect

that the amounts were to be placed at the disposal of the Public Works Department. I have now the honor to solicit the orders of Government authorizing the Accountant General to place the two sums at the disposal of the Public Works Department and to state that in anticipation of this sanction, I have instructed the Treasury Deputy Collector to include them in the final accounts for March 1891 so as to secure agreement between the Local Fund and the Public Works Department accounts.

The amounts are said to have been paid in the Public Works Department and are pending adjustment.

Order dated 29 June 1891 No. 1562 L.P.M.

The Accountant General is requested to make the necessary adjustment in the accounts of 1890-91.
