GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), dated 26th May 1891, Mis. No. 3651:—

Mr. G. McWATTERS.

Read—the following letter from R. SEWELL, Esq., Collector of Bellary, dated 12th March 1891, Reference on Mis. Register No. 1427-1013:—

On 17th September 1890 the Executive Engineer, Bellary Division, forwarded for countersignature of the Collector an estimate for Rs. 2,493 for improvements to the compound wall of the Collector's cutcherry.

2. In order to carry out these improvements, some extra land had to be acquired from Mr. D. Abraham in continuation of what had already been exchanged for from him as per title-deed received from the Board with its Proceedings, Mis. No. 6029, Land Revenue, dated 10th October 1890, measuring about 19½ cents., and for this additional piece Mr. Abraham asked to have the portion already given to him increased by an additional grant of 93½ cents. If this further exchange were concluded, the total extent of land given and taken would be as per margin.

3. This second piece of 93½ cents. now demanded by Mr. Abraham includes part of the road connecting the Goldsmith Street with the road leading from the Bellary Railway Station to the Fort and a new road will have to be formed to the south of the present line for a distance of 143 yards.

4. At my request the Executive Engineer has furnished an estimate which I forward herewith in original (to be returned) of the cost of the diversion amounting to Rs. 252 and the work will have to be carried out by the Bellary Municipal Council. The cost is really much less than the purchase money we would have to pay if we had to buy 1.78½ acres of valuable private land for the improvement of Government property.

5. I have the honour to request that sanction may be accorded for the exchange of the piece of land and for the sum of Rs. 252, cost of the diversion of the road, mentioned in paragraphs 2 and 4 *supra*, respectively.

6. On sanction being accorded a fresh title-deed will have to be given to Mr. Abraham for the whole lot of 1.98½ of ground that will have been given to him in all.

Reference on the above, dated 10th April 1891.

The Board's Proceedings referred to in paragraph 2 of the letter seems to have been misquoted and it cannot be traced in this office. The Collector is requested to quote the correct number and date of the Board's Proceedings.

Read—the following letter from the same officer, dated 21st April 1891, Reference on G. & B. No. 577-1536:—
