Marine Department.

1868/1

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following papers—

Proceedings of the Public Works Department,
dated 12th June 1891 N^o 1602 W.

And the following report from the Presidency
Port officer, dated 23rd June 1891 N^o $\frac{975}{247}$ G.—

In reply to Marine Department

Reference on Current, N^o 649, dated 18th June
1891 (herewith returned), I beg to observe, that
the Superintending Engineer, IV Circle, does
not state which of the Lighthouses are only
4 feet in diameter. From a plan in this
office, Cochin Lighthouse appears to be
6 feet in internal diameter. The iron ladders
proposed will be just as difficult to ascend
as the wooden ones, and if the Engineer
cannot fit a spiral stair to Calicut and
Mangalore, they should be allowed to
remain as they are for the present.

2. With regard to Cochin, I request,
that orders may issue for an estimate
for fitting an iron spiral staircase inside
the column.

Cochin
Calicut
Mangalore.

Order.

Order 29th June 1891 N^o 282.

Communicated to the Public
Works Department, with reference to G.O. N^o
602.W. dated 12th June 1891.
