READ—the following paper:—

No. 12 I.

Note by the Chief Engineer for Irrigation.

The Tank Restoration Investigation Party, which was at work in the Chingleput district, was in September 1889 moved away as the investigation was too far ahead of execution. It now seems advisable that works should be got ready in the Tiruvallūr and Ponnéri taluks, portions only of which were touched by the investigations carried out, and it is suggested that a Tank Restoration Party consisting of—

may be started for preparing plans and estimates for works in those taluks. This party does not require a special officer and may work direct under the orders of the Superintending Engineer, V Circle, who was for some time in charge of the Tank Restoration operations. The cost of the party for the current year may be met from probable savings and that for next year will be provided for in the final issue of the budget estimate of that year. The proposition statement for the current and ensuing years is enclosed.

FOR ORDERS.

party of 1 Overseer -- Rs 60
 2 Surveyors -- 140
 1 draftsman -- 30
 1 Clerk -- 20
 12 Lascars -- 72

shall be started for
 preparing plans &
 estimates for these
 Taluqs.

As such a party need
 not have a special
 Officer, it is considered,
 but might work
 direct under the
 orders of the Supt
 Engr. (Major Campbell)
 who was for some
 time in charge of the
 T. N. S. operations.

Of course there is no
 provision for such a
 party in the scheme
 & estimate for this year
 but its cost can
 easily be provided for
 from funds available.

It also has to be replaced in
 the scheme for next year,
 cost proposed & which I
 do not like to delay, but
 that can easily be done after
 be arranged.
