GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper :—

From C. VINCENT, Esq., Under-Secretary to the Government of India, Public Works Department (Civil Works—Miscellaneous), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 24th June 1891, No. 216 M.

As some misapprehension appears to exist as to the procedure which should be followed in regard to the supply of stores of European manufacture required for works undertaken under lump sum or schedule-rate contracts, I am directed to inform you that the Government of India has been pleased to decide that, when the value of English materials required for any particular work is large and consists mainly of important items, which are either in stock, or would in ordinary course be obtained through the India office, in such cases the stores should not be included in the contract, but they should be supplied to the contractor, the agreement being arranged accordingly.

ORDER—dated 11th July 1891, No. 1909 W., Public Works.

Communicated to officers of the Public Works Department for information and guidance.
