No. 255. Madras, 23rd January

The Rev. J. W. Cassels, M.A.,
Chaplain,
Cannanore.

Rev. and dear Sir, 1963/1

I have to apologise for leaving
your letter of 23rd December 1889 unanswered.
It was received in my office during the
Christmas holidays, and arrears of work
has caused delay since.

With regard to the building known
as the "Garrison Free School Room Cannanore,"

The school room was erected in 1841
by the then Chaplain of Can-
nanore, the site granted free of cost
by Major General C. W. Paty then Command-
ing the Station.

The site however was not granted
absolutely, but, as it were, on the con-
dition that Government could at any
time reclaim, if necessary, on due notice
being given, the Chaplain in such case
having the right to remove the materials
at his own expense.

The Ecclesiastical Department therefore
has no claim on the ground, but the ma-
terials of the building are at its disposal.
Considering the altered position of the

of Cannanore, and the fact that
ilding has long since ceased to be
and for its original purpose, the Lord
Bishop also making no objection, I think
the materials may be sold. Would you kindly
inform me, what is proposed to be done
with the proceeds of the sale.

I am, Rev. dear Sir,
Very faithfully yours
(sd) J. F. Browne,
Archdeacon of Madras.

The General officer Commanding
Southern District.

In reply to his no 19 of the 14 inst
has the honor to state that as the site
the Building referred to, is within Can-
ment limits and it is not considered
able to allow private individuals to obtain
possession of buildings in sites the property
of the State, except in legal leases, it is
suggested that in the event a request is
required for such purposes, it should
be referred to the Government.
which fact being, I have the honor to request
office at the time to strike off the building
from the Register of Public Buildings.

2. In his letter of the Chaplain at
1890 to the ad the Archdeacon states that
Cannanore, the question was erected in
the building by A. Fennell, the then Chaplain,
1841 by the Govt & free of cost by Major-
on a site granted by the
General G. W. Patten then Commissioner
