From the President, District Board, South Arcot,
Dated 23rd June 1891 No 47.

With reference to L. O. dated 30th April 1891
No 1033 L. Mis and 25th May 1891 No 1241 L. Mis I
have the honor to state that in his letter No 9
9491
the Local Fund Engineer reported that at the
request of Mr. C. J. Peters, the Engineer who was
lately in charge of the Cuddalore Bridge Works,
he had taken over charge of the Ponnar and
Gaddilam bridges and recommended that a store-keeper
on Rs 20 might be entertained to be in special
charge of the 2 bridges and the stores, a large
quantity of which has been left here by Mr. Peters.
The Engineer's recommendation was sanctioned
by the District Board and the Cuddalore Municipal
Council were requested to contribute half the cost
(Rs 120) of the store-keeper as the Gaddilam Bridge

is within Municipal limits. The Council have agreed to place the said bridge under the District Board's management and to contribute Rs. 90 per annum (against Rs. 120 asked for) towards the store-keeper's pay. They have further desired to know whether the said store-keeper's salary could not be reduced. The matter will be placed before the District Board at the next meeting together with the Government orders quoted above and the result reported to Government with a copy of the connected papers.

Order dated 9th July 1891 No 1658 L. Mis
