ENCLOSURE.

From the Secretary to the Government of India, Military Department, to the Director-General
of Military Works, dated 11th May 1891, No. 333 G.

In reply to your letter No. 849-A., dated the 18th February 1891, I am directed to say that
the issue of furlough certificates to military officers in civil employ proceeding on furlough under
the regulations of 1875 is confined to those holding civil appointments of a limited tenure ; but,
as it has now been represented that the non-issue of furlough certificates in the cases of officers
employed in the Military Works Department, whether commissioned, honorary commissioned or
warrant, and of the honorary commissioned and warrant officers of the Public Works Department,
subject to the regulations of 1875, causes some difficulty in the preparation of their final last-pay
certificates, the Government of India have decided that furlough certificates in form 5-A or 5-B,
as the case may be, shall in future be issued in all such cases as soon after their furlough is
gazetted as possible.

2. In regard to warrant officers subject to the regulations of 1868, whose cases have also been
considered in this connection, the Government of India do not think that furlough certificates
are necessary, inasmuch as they are only entitled to furlough on medical certificate, which is
neither regulated by length of service nor governed by any furlough previously taken.
