Vellore Sub Divn Office
June 1891

From.

G. H. Sandcock Esq.

Assistant Engineer

Vellore Sub Division

To

The Chief Engineer

Public Works Department

Through The Superintending Engineer
4th Circle

The Executive Engineer

North Arcot Division

Sir,

I have the honor to draw your
attention to the following notifications in
the Fort St. George Gazette

"March 10th 1891. G. H. Sandcock, from
Assistant Engineer 1st Grade to Executive
Engineer 4th Grade. Temporary with
effect from 12th February 1891."

"June 1st 1891. G. H. Sandcock Executive
Engineer (Temporary) 4th Grade reverts
to Assistant Engineer 1st Grade from
25th February 1891."

Thus far promotion lasting only
13 days I have been permitted to draw pay

on

on promotion for four months.

I have the honor to request you will kindly inform me why the reversions dated 25th February 1891, did not appear till the Gazette of June 16th. If I am now required to refund excess pay which I have been receiving for the last four months I must request to be allowed to refund at the rate of Rs 10-0-0 per month for the following reasons:-

(1) Immediately after my promotion on 12th February 1891, I bought two horses both of which are absolutely necessary to ride about and superintend the works in my sub divisions (I may add that I am not yet in a position to pay for one of them)

(2) When I returned from Furlough I was obliged to draw Rs 1000-0-0 from the Civil Engineer's Provident Fund for the purchase of Tents &c, which I am now refunding at Rs 50-0-0 per month.

(3) After ten years service in the Department I had good reason to believe that I should not again revert to Assistant Engineer.

I have the honor to add that I now intend to petition the Government of India and failing that to the Secretary of State for India. My grievances being as follows.

"After ten years' service in the Department, during which I have held charge of two Divisions (each for six months) and have been twice honourably mentioned that I am still an Assistant Engineer.

I have the honor to be
Sir,
Your most obedt Servant.

The change of

Mr. H. H. Handcock
Complains of the long delay
in his revision to Ex. Eng.
being notified.
(20670811-6.91)

The fortnightly returns
from the Exam^r reporting
that a revision was necessary
since Mr. Russell's return
(to which Mr. Handcock was
replied) was not received
till the 20th March, the
delay no doubt being due
to the date on which Mr.
Russell joined his appointment
not having been reported
earlier.

At that time several
events were expected
necessitating changes,
i.e.
Retirement of Col. Clarke,
Departure on furlough of
Mr. H. G. Clerk, and return
of Mr. Russell & Henderson.

These events were grouped
together to avoid confusion
as in most cases it is not
practicable to take action
till the date of the event
necessitating a change is
actually known.

The prompt notification
(made 11-5-91) of permanent

promotions will (ol:
 Clarke & reversal will
 sent A. Smith was sent
 to duty on the 21st April
 and did not return till
 the 11th May - In this
 draft Mr Somers-Evel
 was the junior E.E.
 4th Temp. and was made
 next in favor of Mr C. Smith.

On the return of the
 notification from duty
 another (28640 & 11.6.91)

in which Mr Hancock
 (who then became the junior E.E. 4th Temp.)
 was sent to duty
 on the 13th May and did
 not return till the
 11th June 1891.

As the date of Mr Hancock's
 reversal is anterior to that
 of Mr Somers-Evel a
 revised notification
 relating to these two officers
 appears necessary.

J.J.
 29.6.91

Mr J. D. Bears, E.E. 4th
 Temp. having proceeded
 special leave creates a
 vacancy in this grade
 for Mr Hancock. The Report
 has not yet been received from
 the Governor J.J.

In

In orders -

Mr Somers-Evel was
 reverted to act. duty
 1st grade from 2 April
 consequent on the return
 to duty of Mr C.A. Smith,
 this name was removed
 from the list of Mr. Somers
 4th grade -

Subsequently it
 became necessary to
 make a revision con-
 sequent on Mr Russell's
 return to duty from
 25 Feb - Mr Somers
 Evel should then have
 been reverted from 25th
 Feb & Mr Hancock
 should have been
 reverted from 2 April.
 As however the names of
 the former had been re-
 moved from the list
 of Mr. Somers 4th grade, Mr
 Hancock's name was
 by oversight entered
 for revision from the
 anterior date, as he ap-
 peared to be the junior
 Mr. Somers 4th grade temporary

Mr. C. A. Smith's return
from furto. on the 2nd
April 1891 was notified
to this office, and in
consequence Mr. L. M. E. E.
the junior of the two
offices was reverted
to A. E. 1st from that
date -

Subsequently the return
from furto. of Mr.
A. L. Russell on the 25th
Feb. was notified
to this office, and in
consequence Mr. W. B. D. 1
the senior E. E. 10th was
reverted from
that date -

Mr. Russell's return from
furto. was anterior
to the return of Mr.
Smith, but the date
of return plus latter
office was first
notified to this office.
