From Brigadier-General E. H. EYRE, Quartermaster-General, Madras Army,  
to the Secretary to Government, Military Department, dated Ootacamund,  
7th July 1891, No. 1571 M. W.

In acknowledging receipt of G.O., Public Works Department No. 1485 W.  
of the 1st June 1891, communicated to this office with Military Department  
No. 3452 of the 20th idem, I am desired by the Commander-in-Chief to observe  
that the Military Works Department having no working establishment at this  
station, it will be obviously impossible for it to carry out any repairs that may  
be necessary to the buildings comprising the late European Prison at Ootacamund,  
and I am to add that for this reason apparently Government decided in \* G.O.,  
No. 1316 W. of 10th May 1890, that

\* Military Department No. 3624, dated 30th  
May 1890.

the construction of quarters for the war-  
rant officer attached to this office, which  
work will not, however, now be neces-

sary, should be undertaken by the Public Works Department. I am accord-  
ingly to solicit that the orders of Government may issue directing that all repairs,  
&c., to these, as also any other military buildings at this station, be executed under  
the agency of the latter department.

2. In regard to the question of the provision of funds for the execution of  
repairs to the buildings referred to, I am to note that the Director-General of  
Military Works does not apparently object to Military Works funds being debited  
with the cost thereof, but to the Military Works grant under his control bearing  
the charge. As the buildings in question are to be utilized for military purposes,  
it seems clear that Imperial funds should bear the cost of any alterations and  
repairs thereto, but at the same time it appears to His Excellency that these funds  
should be obtained by the local Government from the Government of India, in the  
same manner as funds are secured for the carrying out of repairs to military build-  
ings at such stations as Calicut, Cannanore, Malapuram, &c.

No. 3870, Military.
