10TH JANUARY 1891, No. 31, FINANCIAL.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following papers :—

No. 4537-C.

MEMORANDUM.

The undersigned has the honor to request that a reference may be made to the Government of India as to whether the grant of charge allowance under Article 178 (b) (ii), Civil Service Regulations, to an Upper Subordinate of the Public Works Department in charge of the current duties of an Executive Engineer's office, is subject to the condition of Article 176, viz., that such charge must be in addition to his own duties.

2. In one important point the two sections are distinctly at variance, as Article 176 provides that "if the office is open to, and may in practice be held by, a Covenanted Civil Servant or a Military Officer, the allowance shall not be less than Rs. 100;" the limitation to Rs. 50 of the charge allowance for an Executive Engineer's office which may in practice be held by a Military Officer is directly at variance with this, and if the two sections may (as they obviously must) be read independently as regards one proviso, they may equally be read independently as regards another. There seems, therefore, no reason for reading into Article 178 the opening provision from Article 176.

3. The Examiner, Public Works Accounts, however, holds a contrary view and has disallowed the grant of charge allowance to an Upper Subordinate who held charge of an Executive Engineer's office for a short period during which he was relieved of the charge of his own Sub-division.

MADRAS,
5th November 1890.
To the Financial Department.

(Signed) J. PENNYCUICK, Col., R.E.,
Secretary to Govt., P.W.D.

Reference, dated 17th November 1890.

Before addressing the Government of India, the Government requests to be favored with the remarks of the Accountant-General in regard to the points raised by the Public Works Department so far as the practice in the Civil Department is concerned.

To the Accountant-General,
with current to be returned.

(Signed) J. F. PRICE,
Chief Secretary.

From T. W. RAWLINS, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 1st December 1890, No. 3839.

With reference to your reference on No. 1934, dated the 17th November 1890, I have the honor to point out that Articles 176 to 181 of the Civil Service Regulations regarding "The charge of current duties" form part of chapter VIII, which treats of the

"Combination of appointments and salaries," and the grant of the charge allowance of Rs. 50 sanctioned in Article 178 (b) (ii) to an Upper Subordinate in charge of the current duties of an Executive Engineer's office is, therefore, admissible only when charge is held by the former in addition to his own duties, as described in Article 176.

2. The specific allowances sanctioned in the various clauses of 178 constitute exceptions to the general rule laid down in Article 176 that the allowance shall be fixed in each case by the Local Government and be subject to a maximum of $\frac{1}{10}$ th of the office and to a minimum in some cases of Rs. 100, and are no more inconsistent with provisions of Article 176 than any other exceptions can be said to be with their rule.

ORDER—dated 10th January 1891, No. 31, Financial.

The interpretation placed on the rules by the officers of account appears to be in accordance with the intention of the framers of the Civil Service Regulations.

2. There seem, however, to be good grounds for altering the rules in the case of Upper Subordinates of the Public Works Department who are placed in charge of the current duties of an Executive Engineer's office, and if it is considered advisable to move the Government of India on the subject, the Administrative Department should be addressed in accordance with paragraph 2 of G.O., No. 969, dated 16th December 1890, Financial.

No. 201 W. 4/22 Jan 1891

PUBLIC WORKS DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Proceedings of Govt. Finl. Dept. H.C. No. 31 dated 10th Jan 91

Read the following.

Ordered that the Govt. of India be addressed.

H.C. No. 202 W. 4/22 Jan 91

The Secy. to the Govt. of India
P.W. Dept.

Sir, I am directed to forward copy of the Proceedings of this Govt. marginally quoted, and with reference thereto, to request that the Govt. of India may be moved to rule that the charge allowances specified in Article 178(h) (ii) and (iii) may be granted

irrespective of the condition
that the charge of the higher
office must be held in
addition to an officer's
own duties.

2. In the S.W. Department
it is seldom practicable
to place an upper subordinate
in temporary charge of
the current duties of an
Executive Engineer's office
without relieving him of
his ordinary duties,
and in such cases, as
the temporary charge cer-
tainly involves a sub-
stantial increase of res-
ponsibility and work,
it seems only equitable
that the charge allowance
should be granted whether
the higher office is held in
addition to ordinary duties or
not.
