THE CHIEF ENGINEER

Marakapalli } 8th July 1891.
Camp DOWLAISHWERAM,
Bank Canal,

SIR,

With reference to your endorsement
No. 2796 C dated 8th June 1891 on a petition
from R. Subbaroyudu of Vella, herewith returned,
I have the honor to inform you, that from
enquiries made, it would seem that one of the
banks of the Coringa Canal was taken over
the site of the small temple, & that possibly the
idols may be buried under the bank.

2. As the occurrence took place some
30 years ago, and as there are no records re-
garding it, it is now impossible to say under
what circumstances the temple was destroyed
or removed, but it was probably done with
the tacit consent of the then owners of the temple.

3. As nothing is definitely known
about the occurrence, and as moreover
the application is time barred, I do not see
that any compensation can be awarded.

I

I have the honor to be,
Sir,
Your most Obedient Servant

Sup² Eng² 1st Circle.
