GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.

Read—the following papers:—

No. 126. *From Brigadier-General E. H. EYRE, Quarter Master General, Madras Army, to Brigdr.-Genl. A. KENNEY-HERBERT, Secretary to Government, Military Department; dated Ootacamund, 23rd April 1891, No. 1127-B (Sanitary).*

With reference to O.G. No. 5608, dated 5th September 1890, I am desired to solicit the sanction of Government to a reappropriation in the current year of the sum of Rs. 500, therein referred to, for compensation for land required in connection with the removal of the Chucklers' parcherry at Trichinopoly, the amount in question not having been utilised in 1890-91 and consequently having lapsed on the 31st ultimo.

2. I am to solicit the early sanction of Government to the expenditure, as it is understood the parcherry has already been removed and nothing but the payment of compensation for land remains to be made for the completion of the transaction.

No. 2355.

Forwarded for favour of report.

Returned as requested.

2. In reply to a reference from this office, the Quarter Master General states "that the charge of Rs. 500, for compensation for land in connection with the removal of the Chucklers' parcherry at Trichinopoly, should be met from Grant 14, 'Purchase and rent of lands' of the current year's budget estimate, this land not being required as a site for erection of huts, &c., but merely for the removal of a very insanitary parcherry."

3. The prescribed appropriation statement is attached.

Major and minor heads of account under which the proposed expenditure will fall.	Sanctioned grants for major and minor heads.	Recorded outlay against those grants by latest available accounts.	Proposed reductions in sanctioned grants from which the expenditure will be met.	Explanation if no reappropriation is considered possible. In such cases the urgency and necessity for the outlay must also be explained.

Miscellaneous	4,55,800
