*In August 1890, the
Surgeon General with
the Government of Madras
submitted an estimate
amounting to Rs 3070
for converting the old
auxiliary building at
Rajapuram into quarters
for two apothecaries
one of which would be
available for the apothecary
attached to the Leprosy*

*Further I understand
the Quarter Master General*

*This is co-ordinate note for
orders attached to G.O 3490 W
of 7th Dec 89*

*As under para 1209
41212 P.W. Code the pro-
vision of quarters for*

apothecary

Medical subordinates
whether in military or
civil employ, in the pay-
ment of compensation
in lieu of quarters,
was a military charge,
the papers were forwarded
to the Military Stores
Department for
disposal.

They have now been
returned with a ruling
from the Government
of India to the effect
that the payment of
compensation in lieu
of quarters to medical
subordinates should be
paid by the Department
which pays their salary.

Para 156 Chapter XVI
Vol II Government of
India Code which it

is stated will now be
altered, corresponds
with para 1212 Indian
P.W. Code.

2024

The ruling apparently
means that the cost of
constructing quarters for
medical subordinates
must also fall under
the same head of account
as their pay, and the
present estimate of
Rs 3070 must therefore,
if sanctioned, be
carried out from
Provincial funds.

The estimate ^{has} already
been approved in the
Public Department
wide endorsement
of the 16th August 1890
and orders are requested
whether it may now be
sanctioned and funds
allotted.
