11TH JULY 1891, No. 617, REVENUE.

GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

Read—the following Proceedings of the Board of Revenue (Land Revenue), dated 2nd June 1891, No. 330 :—

THE HON. MR. H. W. BLISS.
MR. G. McWATERS.

Read—the following letter from A. T. ARUNDEL, Esq., Collector of the Kistna District, to the Secretary to the Commissioners of Land Revenue, dated Nandigama, 20th March 1891, No. 50 (Extra) :—

I have the honour to submit a proposal for the transfer of the General Charge Deputy Collector's head-quarters from Vinukonda to Narsaraopet.

2. The two places are 23 miles apart and are now within two hours' reach of each other by rail. Narsaraopet is the more important taluk of the two, and owing to the railway and to the geographical features of the division combined, it is far more suited to be the head-quarters. The revenue of Narsaraopet is Rs. 4,01,966 and that of Vinukonda Rs. 1,70,412.

3. There is, it is true, a direct road from Vinukonda towards Dáhepalle, the taluk head-quarters of Palnád, but it stops short at Karempudi, twelve miles from Dáhepalle. It passes, moreover, up and down two steep ghâts and across a desolate and jungly plateau, which is occasionally the haunt both of Yerakala dacoits and of tigers. My own servants and peons have fired off guns to scare away beasts when crossing this rough country at night. Till recently, the District Munsif's Court at Karempudi, three miles beyond the further ghât, kept up some traffic to and from Vinukonda along this line of road. Now, however, the inaccessibility of the place has led to the transfer of the District Munsif's Court from Karempudi to Narsaraopet. The probable execution of the great Melavagu irrigation project will throw the road across half the plateau and through the further ghât into the bed of a lake.

4. From Dáhepalle to Narsaraopet, there is a good road almost on the level throughout and with the large villages of Pidugurala and Nekarikal at either end of the only jungly part of the journey. This road, therefore, is the natural outlet from the Palnád taluk. It is about 35 miles long, while the road from Vinukonda is over 40, but when the sanctioned transfer of the Palnád head-quarters to Guruzala is effected, the distance to Vinukonda and to Narsaraopet will be about the same.

5. The case therefore stands thus. Vinukonda, the present head-quarters, is readily accessible by rail from Narsaraopet, but is difficult of access from the Palnád. Narsaraopet, the proposed head-quarters, is equally accessible by rail from Vinukonda, and it is also easily accessible by road from the Palnád. It has now the additional advantage of the presence of the District Munsif's Court.

6. Narsaraopet (population 5,287) is a healthier town than Vinukonda (population 6,891). It lies in the open plain, whereas Vinukonda lies under the heat of a bare rocky hill. Supplies are more abundant as it lies on the high road from the delta to the Palnád.

11TH JULY 1891, No. 617, REVENUE.

7. I enclose a plan of the Deputy Collector's catcherry at Vinukonda. It consists of a single room 24' x 16', made dark and close by the verandahs on three sides being walled in, to make three narrow rooms (8'-6" wide) with low sloping roofs for clerks and records. If this building were vacated, it might be utilized for a dispensary, as the present one is small and inadequate.

8. An excellent site is available at Narsaraopet for a new office in a line with the District Munsif's Court and Taluk catcherry about to be built in the new suburb near the Railway station.

Resolution—dated 2nd June 1891, No. 330.

Submitted for the orders of Government. For the reasons adduced by the Collector, the Board supports his proposal. Narsaraopet is more conveniently situated for the division than Vinukonda, and the construction of the railway has done away with the necessity, which formerly existed, of locating the Divisional officer in the more distant portion of his charge.

2. A new Divisional office at Narsaraopet will be needed, if the change is sanctioned, but the existing building at Vinukonda is so insufficient that a new office would probably be needed in any case.

(A true Copy and Extract.)

(Signed) H. A. SIM,
Acting Secretary.

To the Secretary to Government, Revenue Department,
with plan (to be returned).
Copy to the Collector of the Kistna District.

ORDER—dated 11th July 1891, No. 617, Revenue.

Miscellaneous.

The Board's recommendation to transfer the head-quarters of the General Duty Deputy Collector from Vinukonda to Narsaraopet is approved and sanctioned.

2. Orders will be issued in the Public Works Department for the preparation of plans and estimates for the erection of an office for the Deputy Collector at Narsaraopet.
