SIR,

I have the honor to submit
for the approval of the Surgeon
General and for submission to
Government eventually a plan and
estimate for converting the Head
Nurses Quarters into quarters for
the Station Superintendent. This
arrangement is partly connected
with the scheme for the enlarge-
ment of the hospital, and when
the 3rd story is erected for an in-
creased number of patients, the Nursing
Staff, which will be necessarily
increased, would require more ac-
commodation. The Staff was re-
cently raised from 15 to 18 and it
is expected that 6 more ^{Nurses} would be
required hereafter. and as the ac-
commodation is already limited,
