PUBLIC WORKS DEPARTMENT.

General.

LETTER—from

COLONEL J. PENNYCUICK, R.E.,
Secretary to the Government of Madras,
Public Works Department,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
PUBLIC WORKS DEPARTMENT.

SIR,

In acknowledging the receipt of your letter No. 141 $\frac{A.}{C.W.}$, dated 25th May 1891, I am directed to forward herewith 35 copies * of appendix C to the Provincial Civil Works budget estimate for 1891-92

* 10 to Simla; 25 to Calcutta.

and to state that the instructions contained in para. 2 of your letter will, in future, be followed in the preparation of the budget estimates of this Presidency.

2. The figures given in the appendix now submitted show the distribution of the cost of Permanent establishment only approximately and cannot be fixed with any accuracy owing to the constant changes in the Engineer and Upper Subordinate establishments. A lump sum provision of Rs. 1,72,380 was made in the budget to meet the requirements under Temporary establishment, but, as no distribution of this grant can be made between the different classes or among circles and divisions, the figures given in the statement under Temporary establishment are but rough estimates of the cost in each case.

3. With regard to the omission pointed out in para. 1 of your letter under reply, I am to state that the appendix now called for has never been submitted by this Government as it is not one of the parts of the Provincial Civil Works budget prescribed for submission to the Government of India either by the Madras or the Government of India Public Works Code. I am, therefore, to suggest that the submission of the statement by this Government may be dispensed with in consideration of the fact that the whole cost of the Public Works establishment of this Presidency is treated as Provincial, other funds contributing a fixed percentage on the grant for works.

I have the honour to be,
Sir,
Your most obedient servant,

Colonel, R.E.,
Secretary to Govt., P.W.D.

OOTACAMUND,
31st July 1891.

Encl. A. D. Xavier.
