There is no audit objection to the pay of Surveyor Dorasawmi Iyer being increased from Rs.60 to Rs.80 per mensem as sanctioned in G.O.No.I448 W dated 27th.May 1891. With regard to the horse allowance recommended by the Executive Engineer Kalahasti Sub Division, attention is drawn to article II33(a) of Civil Service Regulations.

Sir,

I most respectfully beg leave to submit this my humble application for your favourable and kind consideration with early orders for the same.

I beg to state that when I was transferred from No 1 party Y. R. S. Madua to Malabasti sub-Div. I have been drawing there Rs 60 per mensem which amount I continued to receive as my pay till June last. Now as sanctioned in G.O. No 1448 W 27th May 1891 I should have received ever since my transfer (20th February 1891) Rs 80 a month as my pay according to the original and revised proportionate statements submitted to the Superintending Engineer for sanction of Government, but unfortunately for me I had to lapse (though not entirely for I can claim it back now and get it) 20 Rs a month.

Further unlike the Y. R. S. party where surveyors can attend to the works in their charges one after the other thereby not having to incur much travelling expenses here in the famine work considering the emergency of it the poor paid surveyors have

have to spend much of their pay to meet the
cost on circuit which they have to make
for the ready and satisfactory discharge
of their work.

2073

Considering the above circumstances
in conclusion I beg to request for early
orders to pay me the balance of 20 Rs in
my pay from the date of my joining this
division together with some provision
for my travelling allowance.

I beg to remain

Sir,

your most obedient servant

E. D. Gorasammyaier

Surgeon

No 241 50

Forwarded to Supd & P. C. C. for Adv. of

orders. I recommend that his pay be increased

to the full and sanctioned by Govt i.e. 80/-

from the date of his joining the Subd.

As for the question of travelling allowance, as

a matter of fact the Surgeons have no work

or more travelling so that the Surgeons

get no allowance whatever. In the J. R. S. they

were allowed 4 Rs. as Surgeons when they moved

from one Division to another when they were

the only occasions on which they had to move

any distance. Now owing to the increasing

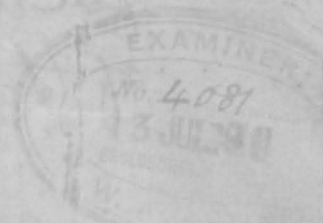

of opening as many centres of work as far apart

no justice. They have incessant
travelling. If they could be allowed
to do so at the rate of 15/2 a month it will
probably cover their expenditure on
travelling. Of this amount 1/2 is to be
allowed for their maintenance at home.
