23RD JANUARY 1891, No. 209 W., PUBLIC WORKS.

15

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper :—

Proceedings of the Government of India, Public Works Department (Civil Works—Miscellaneous), dated 30th December 1890, No. 455 M.

Agency to be employed in the construction and repair of Government vessels.

Read—again—

Government of India, Public Works Department, Circular No. 69 P. W., dated 20th September 1879.

Government of India, Public Works Department, Resolution No. 292 M., dated the 30th July 1889.

Resolution.—In supersession of previous orders on the subject the Governor-General in Council is pleased to approve of the following modified rules on the subject of the construction and repair of steam-boats, launches and other vessels for the use of Government by the Government dockyards at Calcutta or Bombay and by private firms.

Construction

2. In future, work which is connected with the construction of Government vessels must, in all cases, be carried out either by Government workshops or by the Government dockyards, unless for any special reason it appears that the employment of private firms will be more economical, or if workshops or dockyards are unable, by press of other demands, to execute the work as speedily as is necessary.

3. Local Governments and Administrations are at liberty in every case to call for estimates for any work, which has to be done, both from Government dockyards and private firms simultaneously, and to decide, with reference both to the amount of the tenders received and to other considerations, how the work shall be executed.

4. An annual return is to be submitted on the 31st December of each year to the Government of India showing all cases in which work, of the nature referred to, has been given to private firms in preference to Government workshops or dockyards, with a full explanation of the reasons which led to the employment of the private firms.

X

Repairs

5. As regards repairs to Government vessels, local Governments and Administrations, except those of Bengal and Bombay, where Government dockyards exist, will probably find it to their advantage to have such repairs as may be required executed locally, and the return prescribed in the preceding paragraph need not therefore, in their case, specify repair work executed by private firms. In the case of the returns from Bengal and Bombay, the returns should, however, specify such repairs which should be executed, whenever possible, at the Government dockyards.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab.
The Chief Commissioners of Burma and Assam.
The Director-General of Railways.
The Director-General of Telegraphs.

Order.—Ordered that this Resolution be forwarded to the local Governments and Administrations marginally noted for information and guidance.

Ordered also that the Resolution be communicated to the Military (Marine) Department for information.

(Signed) C. VINCENT,
Under-Secy. to the Govt. of India.

To the Secretary to the Government of Madras, Public Works Department.

Order—dated 23rd January 1891, No. 209 W., Public Works.

No. 2598 W., dated 16th October 1879.
" 2339 W., " 24th August 1889.

Communicated to officers of the Public Works Department and to the Revenue Department, for information and guidance, in supersession of the orders marginally noted.

2. The return called for in para. 4 of the Government of India Resolution should reach this department by the 15th December each year.

GOVERNMENT OF INDIA.

PUBLIC WORKS DEPARTMENT.

CIVIL WORKS.

Miscellaneous.

Calcutta, the 30th December 1890.

Agency to be employed in the Construction and Repair of Government Vessels.

Read again—

Government of India, Public Works Department, Circular No. 69 P. W., dated 20th September 1879.

Government of India, Public Works Department, Resolution No. 292 M., dated the 30th July 1889.

RESOLUTION.—In supersession of previous orders on the subject the Governor General in Council is pleased to approve of the following modified rules on the subject of the construction and repair of steam-boats, launches and other vessels for the use of Government by the Government Dockyards at Calcutta or Bombay, and by private firms.

2. In future, work which is connected with the construction of Government vessels must, in all cases, be carried out either by Government Workshops or by the Government Dockyards, unless for any special reason it appears that the employment of private firms will be more economical, or if Workshops or Dockyards are unable, by press of other demands, to execute the work as speedily as is necessary.

3. Local Governments and Administrations are at liberty in every case to call for estimates for any work which has to be done, both from Government Dockyards and private firms simultaneously, and to decide, with reference both to the amount of the tenders received and to other considerations, how the work shall be executed.

4. An annual return is to be submitted on the 31st December of each year to the Government of India shewing all cases in which work, of the nature referred to, has been given to private firms in preference to Government Workshops or Dockyards, with a full explanation of the reasons which led to the employment of the private firms.

5. As regards repairs to Government vessels, Local Governments and Administrations, except those of Bengal and Bombay, where Government Dockyards exist, will probably find it to their advantage to have such repairs as may be required executed locally, and the return prescribed in the preceding paragraph need not therefore, in their case, specify repair work executed by private firms. In the case of the returns from Bengal and Bombay, the returns should, however, specify such repairs, which should be executed, whenever possible, at the Government Dockyards.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab.
The Chief Commissioners of Burma and Assam.
The Director General of Railways.
The Director General of Telegraphs.

ORDER.—Ordered, that this Resolution be forwarded to the Local Governments and Administrations marginally noted, for information and guidance.

Ordered also, that the Resolution be communicated to the Military (Marine) Department for information.

I presume no returns have been received from Supt. Engrs in response to C.P. 2339W d/24.8.89?

If not, urgent reminders and letter be sent to S.Es under Dir's signature calling for the returns.

It seems a pity that when the C.P. was drafted, a para was not added, calling for the submission of the return by 15th Sept each year. We can however do this, when sending on the return this year to India.
