PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read *the following Proceedings*

of the Board of Revenue (Land Revenue) dated 3rd July 1891, No. 4596 on letter from the Collector of Anantapur, dated 11 June 1891, No. 32 B.R.

After the Deputy Tahsildar had moved into his new Culcherry at Bakkapatnam the old building came into the possession of the Forest Department. They have vacated going to premises outside the Town. Part of the building is used and required by the Raddi for a chavadi. Now the Pennakonda Taluk Board wish to acquire the remaining portion and convert it into a choultry. They cannot afford to give more than Rs. 45 as a house and the Executive Engineer won't sell under Rs. 250 which he considers a very low valuation. If instead of depending on the value as entered in his books he had visited the spot, I think that he would have come to another conclusion. The building is of mud and has half fallen down and would sell for the value of the wood-work. The real value consists in the site which is in the heart of the town equally valuable to the Taluk Board or the merchant.

2. As the building is going to ruin and
it must be repaired and no Department requires it,
I have the honor to suggest that the orders of Govern-
ment be obtained for its sale. The Taluk Board can then
enter the market against private purchasers.

Resolution.

Res 29-7-91

Submitted for the sanction of Government.

2. The collector's proposal appears to be the
best way of disposing of the building and site.

Order thereon 18 July 1891, No. 4115.

The collector's proposal supported by the
Board of Revenue is approved and sanctioned.
