10TH AUGUST 1891, No. 2137 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper:—

From M. HAMMICK, Esq., Acting Collector of South Arcot, to the Secretary to Government, Public Works Department, dated Cuddalore, 27th July 1891, Ref. on No. 4219-Eng.

I have the honour, under G.O., No. 408, Revenue, of the 6th May last, para. 3, to submit, for approval and early publication in the *Fort St. George Gazette*, a draft declaration for acquisition of land required for the construction of the new taluk cutcherry at Chidambaram.

2. Compensation was settled as early as January last and the land ordered to be transferred to the Public Works Department; but Nos. 1 and 2 of the persons entered in column 5 of the draft declaration, who are in occupation of the major portion of the site, refuse to vacate it except on payment of the compensation due to them. Their written statement is enclosed. As various others, who claim ownership in the land, objected to this, the principals were called upon to furnish security; but the person they named expressed his unwillingness to take the responsibility. They were thereupon, in the beginning of March, directed to produce fresh sureties. They have failed to do this up to date.

3. As the Executive Engineer wishes to have the site made over to his department without any more loss of time, it would be an advantage if, as a special case, I can be authorized to take possession of the land under section 17 of the Act. The persons in possession have had ample notice of our intentions.

ORDER—dated 10th August 1891, No. 2137 W., Public Works.

The notification will be published in the *Fort St. George Gazette*.

2. The estimate for the new taluk cutcherry has not yet been sanctioned pending issue of the revised type design now under consideration, and there appears no necessity, therefore, to proceed under section 17 of the Act. Funds for the work have been provided in the Provincial budget for the current year (item No. 40) and there should be no delay in the settlement of compensation.

Orders regarding the acquisition of —

Handwritten text in Tamil script, likely a memorandum or official communication. The text is written in a cursive style and covers the right page of the document. It appears to be a detailed report or order regarding the acquisition of land for the New Taluk Cutcherry at Chidambaram, as indicated by the printed text on the left page. The handwriting is dense and fills most of the right page.
