10TH AUGUST 1891, No. 2146 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General,
Account.

READ—the following paper :—

Proceedings of the Government of India, Public Works Department (Account—General), dated Simla, 21st July 1891, Circular No. 8 (P.W.).

[Forms for the record of Executive Engineers' suspense transactions.]

Read—

Public Works Department Circular No. 30, dated 14th November 1889.
Letter from the Accountant-General, Public Works Department, dated 3rd July 1891, No. 561 G.

Resolution.—The Government of India, in the circular read above, approved of the proposal in para. 286 of the report of the Public Works Accounts Committee that the record of the suspense transactions of Executive Engineers should be kept in book form instead of on loose sheets. A form of suspense register was accordingly prescribed and has been in use in the several provinces.

2. The Accountant-General, Public Works Department, now reports that the standard form of suspense register has been found inconvenient in practice and that, in some respects, it is unsuitable for the purpose it was designed to serve. He is of opinion that it would be expedient to authorise local Governments and Administrations either to modify the standard form, so as to obviate the inconvenience experienced in each province, or to revert to the original system under which the Executive Engineer's record of his suspense transactions was an office copy of the schedule submitted to the Examiner.

3. The Government of India accepts the recommendation of the Accountant-General, Public Works Department, and is pleased to allow local Governments and Administrations the option suggested.

The Governments of Madras and Bombay (General and Railway), Bengal, the North-Western Provinces and Oudh and the Punjab.
The Chief Commissioners of the Central Provinces, Burma, Assam and Coorg.
The Agents to the Governor-General for Central India, Rajputana and Baluchistan.
The Resident at Hyderabad.
The Director-General of Railways.
The Accountant-General, Public Works Department.

For information only.

The Consulting Engineers to the Government of India for Railways, Calcutta, Lucknow, and Central Division.
The Superintendent of Port Blair and Chief Commissioner, Andaman and Nicobar Islands.
The Director-General of Telegraphs.
The Comptroller-General.

Order.—Ordered that the foregoing be communicated to the local Governments, Administrations, and officers noted on the margin for information and guidance.

Ordered, also, that a copy be forwarded to the other officers noted on the margin for information.
