Sir,

Enclosures.

Sub Overseer Subramanaya Siva
has appealed to me for the refund of a
sum of Rs 5.0 public money stolen from
him at Damaikankurra Hospet Taluk Bellary
District on the night of the 26 July last
under the following circumstances.

The Sub Overseer was engaged
in surveying Damaikankurra tank 10 miles
from Hospet and 17 miles from Kudligi.
He put up in the temple for the night. He
had sent a cheque for Rs 105-4-1 to the
Kudligi treasury to be cashed the same
day - that cheque was for his own pay
and travelling allowance Rs 72-12-1, his
clerk's pay and travelling allowance Rs 24-7-3,
and a watchman's pay Rs 5. The money was
brought him by a lascar attached to
the Sub Divisional Office Hospet in the evening
between midnight and 4 o'clock next
morning he was robbed of his desk with
all

all his money, his watch and chain, and the travelling instrument he was entrusted with. This instrument was recovered next day damaged, and also a 50 note. He had paid away Rs 5 to the watchman previously; hence his loss amounts to Rs 50-4-1, which he appeals to have refunded to him, against the decision of the officiating Executive Engineer Sub Conductor being in September 1890.

The present Executive Engineer Mr Lammie has forwarded his appeal with the endorsement that he thinks it hard he should lose his money and his watch through no fault of his own, and blames the Sub Divisional Officer Mr Ibrahim Kassim for giving him a cheque on Kudligi, 17 miles from his camp, when he has been particularly requested to give it on

Hospett 7 miles nearer; and the Sub Overseer explains that if the cheque had been given him on Hospett he would not have wanted the cash to be sent out to his camp. Mr Ibrahim Kassim maintains that Kudligi was the Sub Overseer's head quarters and that he ought to have gone there and paid his debts. He also says the Sub Overseer did not take proper precautions to secure the money received. Mr Ibrahim Kassim has evidently a grudge against the Sub Overseer, probably

on account of the scanty respect with which the Sub Overseer treats him as his superior officer. He has accused him of borrowing money from contractors and of using a lascar as a horsekeeper, charges which the Sub Overseer denies and which are at any rate not proved. The contractors would not hesitate to put the Sub Overseer in court if he were in debt to them. Anyhow I consider the Sub Overseer may be allowed a fresh ~~start~~ ^{start} under another Sub Divisional Officer than Mr Ibrahim Kassim.

The Sub Overseer says he took reasonable precautions with the money received by him at Danikhenkera and placed it in his desk under his ~~lock~~ ^{bed}. There were 4 temporary survey lascars with him the same night. He put the case in the hands of the police immediately he discovered the robbery. The police examined one of the lascars but could get no clue to the robbers and the case is still on the file as undetected. The village Dalaiari was suspected of a share in the robbery. No one was arrested and no one's house or person was searched.

I beg to recommend that the sum of Rs 50-4-1 be ordered to be refunded to the Sub Overseer.

I have the honor to be

I think a genuine case. I think
the damage to
the Government property
may be accepted, but I don't see any
reason why the man's private money
should be made good to him.
