NOTE OF REMARKS. 1.8.91

The estimate under
review amounting to
Rs 2130 provides for
paving by 2 Iron Goods
Shed at Chasulipatam.

The necessity for the
estimate is stated in
the Revenue Board's Pro-
ceedings No 2188 of
8th July 1891, that
the goods standing in
the shed are liable
to be seriously damaged
by damp if the floor
is not paved.

Specifications report
are not submitted.

The rate for cut stone

is provided in the estimate against Annam 11 per cent in the schedule of rates for the Southern Sub-Division of the Madras Eastern Division for 1891. If the schedule rate is adopted, the saving effected will be Rs 147.

The other rates as far as can be checked are fair. It will probably cost a little extra for shaping the stone for the V drains.

Contingencies & Petty Supervision are provided for at 2½ per cent each.

The plan & estimate have been countersigned by the Collector & approved in the Revenue Dept.
