To

The Archaeological Surveyor to the
Government of Madras,
Madras.

Enclosures 2
photographs.

Sir,

I have the honor to forward 2 photographs of the tomb of Abdul Nabob at Tummal, the first Bijapur Governor. The tomb is said to have been built in 1028 of the Hijri = A.D. 1618. It is now sadly in want of repairs and there appears to be no source to meet them other than an appeal to Government. Government is said to have sanctioned 2 estimates amounting to Rupees 1000 for its repairs in 1856. It seems to be a good specimen of Mahamadan architecture, and you may perhaps consider it worthy to add to your list of buildings of interest to be maintained at the expense of Government.

I have the honor to be
Your most obedient servant,

(Signed) H. Smalley Esq. R. E.,
Superintending Engineer,
III Circle.

Public Department.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Superintendent, Archaeological Survey, Madras, dated 15th July 1891, No. 296.

I have the honor to forward copy of a letter and two photographs received from the Superintending Engineer, 3rd Circle, and would enquire if a grant could be made for any urgent repairs which the building referred to, might require.

2. The tomb seems a very good example of Muhammadan architecture. It is not included in the revised conservation list, as the place has not yet been visited by the Survey.

Order 23rd July 1891 No. 613.

The Government has no objection to the expenditure of a small sum on urgent repairs to the building referred to pending its inspection by the Superintendent, Archaeological Survey.

2. The papers will be transferred to

No. 697
16-6-91

To the Public Works Department.
