13TH JUNE 1890, No. 429, FINANCIAL.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper :—

Resolution of the Government of India, Finance and Commerce Department
(Salaries, Establishments, &c.,—Liveries), dated Simla, the 23rd May 1890,
No. 2544.

In the Resolution of the Government of India, in the Finance Department, No. 613, dated 28th January 1874, rules were laid down regarding the supply of liveries to messengers employed in Government offices. The offices of which the messengers should be entitled to liveries, the frequency with which liveries could be supplied, and the limit of cost of liveries were stated in those rules. The Governor-General in Council has now decided that it is expedient to entrust to Local Governments discretion to lay down rules regarding the supply of liveries the cost of which is Provincial on the understanding that the several Local Governments will, by the orders they issue on the subject, effectually prevent the occurrence of any abuses such as the rules hitherto enforced by the Government of India were designed to prevent.

2. Accordingly, the Governor-General in Council has decided that the rules in the resolution quoted above and subsequent amending or explanatory orders shall no longer apply to liveries the cost of which is Provincial. Each Local Government should issue rules (1) naming the offices the messengers of which may be supplied with liveries; (2) stating the frequency with which each messenger of those offices may be supplied with liveries; and (3) laying down maximum limits for the cost of each livery. The rules should require the officers who are allowed to supply liveries to their messengers to show the total charges on account of each livery, or each set of liveries, in a form which will enable the Account office to check the expenditure, and to see that the rules laid down are duly observed.

3. The rules on the subject hitherto in force generally will continue to apply to the supply of liveries in offices the cost of which is Imperial. But if it is considered that any Imperial offices in any province should be in this matter subject to the rules prescribed by the Local Government for Provincial offices, a representation should be made by the Local Government stating the rules issued by it, and the Imperial offices to which it is proposed to extend them.

Order—

Ordered, that this Resolution be communicated to all Local Governments and Administrations, and to all Accountants-General and Comptrollers.
