India Office,

No. 1.

My Lord.

I have considered in Council your Lordship's letter in the Public Works Department No. 7809 W dated 19th March 1891 suggesting that Colonel Pennycuik R.E. should utilise a period of privilege leave in England in selecting a steamer and certain machinery required for the Periyar project works.

2. On his arrival in England, Colonel Pennycuik stated that no steps were necessary for the supply of a steamer from this country, as a suitable vessel had been obtained in India.

His Excellency

The Right Honorable

The Governor in Council,

Fort St. George.

3. With regard to the electric lighting plant referred to in your letter, Colonel Pennycuik has ascertained that its cost will much exceed the amount contemplated by your Government, and he has therefore recommended that no action be taken in the matter pending his return to India.

4. In these circumstances, I have, at present, only sanctioned the supply, at a cost of about £71, of the winding engine mentioned in your letter, pending the receipt of a further communication from your Government in regard to the electric lighting plant.

5. The demand for a turbine, made in your letter No. $\frac{11}{368}$ I of 3rd July 1890, has been cancelled as requested.

I have the honour to be,

My Lord,

Your Lordship's most obedient
humble servant

Lross.
