OFFICE NOTE No. 340 -

To W.

Finding that there were no working forms for proposals for changes in establishment (Form book form No.M.184) I have had working forms drawn up, & it seems desirable to take the opportunity of revising the notes on the standard form by prescribing the method of calculating the financial value of progressive appointments as laid down in article 184 Civil Service Regulations, & Government of India Financial Department notification No.325 of 12th. January 1872, and I beg to forward herewith for the approval of Government a draft standing order providing for the requisite modification of the notes.

2. Opportunity has also been taken to provide for the Examiner certifying on the form that certain entries within it have been checked by him and found correct, as required by code paras 25 & 26, which is useful also as showing at once that the proposals should be submitted through the Examiner.
