GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Civil Works.

READ—the following papers :—

From Colonel C. A. PORTEOUS, Acting Inspector-General of Police, to the Chief Secretary to Government, dated Calicut, 14th March 1891, No. 1568.

With reference to G.O., No. 1706, dated 7th October 1889, Judicial Department, sanctioning the recovery of rent from head constables and constables at the rates previously in force, I have the honour to bring to the notice of Government that, in the districts of Kistna, Kurnool and Madura, European head constables, whose salary ranges from Rs. 30 to 40, occupy huts and pay a monthly rental of As. 8, the rate paid by native head constables, first grade, and in the districts of Trichinopoly, Salem and Malabar they occupy pukka buildings and pay rent at 10 per cent. on their salaries as shown in the accompanying statement.

2. As the salary of European head constables exceeds Rs. 25 per mensem, I request that Government may be pleased to order that rent may be recovered from them according to the prescribed rules but not exceeding the minimum rate, viz., 5 per cent. on the salary, prescribed in para. 2, clause 2, of the Resolution of Government of India in the Public Works Department No. 214 B., dated 8th June 1889, embodied in G.O., No. 1668 W. of the 25th idem. I am of opinion that it will be hard for this class of officers to pay more than the rate proposed above.

From Colonel C. A. PORTEOUS, Inspector-General of Police, to the Chief Secretary to Government, dated Ootacamund, 4th July 1891, No. 31 C.

In reply to your reference on C. No. 1309, dated 25th March 1891, I have the honour to report that the Superintendent of Police, Trichinopoly, states that huts in reserve lines are not such as can be occupied by Europeans. The Superintendent, Salem, consents to use a hut ‡ for European head constable. In Malabar, the Superintendent reports that in Wynaad climate European head constables prefer living in pukka buildings to living in constables' huts, in which no proper accommodation is available.

2. The building in Trichinopoly was taken over from the Medical Department for the occupation of the European head constable, who found it impossible to get a conveniently situated house within the limits of his station range under a rent of Rs. 5 per mensem, and Government, in its order No. 3360 W., dated 22nd October 1888, directed that rent for this building should be recovered at 10 per cent. of the salary of the occupant. In Salem, the building was one of those in the occupation of the Punitive Police, which were transferred on its abolition for the use of the ordinary District Police under G.O., Mis. No. 2951, dated 15th November 1884, Judicial Department. The buildings at Vayitri and Manantoddy were constructed long ago specially for the use of European head constables (*vide* G.Os., No. 3343, dated 29th October 1867; No. 1288, dated 19th April 1869; and No. 289, dated 28th January 1868, Public Works Department), the building constructed under the last Government order being used for European head constables on the erection of new quarters for Inspector under G.O., No. 759, dated 27th March 1876, Public Works Department.

3. In reply to a reference to the Executive Engineers of Coimbatore and Trichinopoly divisions, they have stated that the buildings in Salem and Trichinopoly will not be of any use to their department and that they are not aware that any other department has a need for them.

4. In these circumstances, I beg that the existing arrangement in Trichinopoly and Salem may be allowed to continue till the buildings may be required for any other use, when accommodation for European head constables will be found in huts or other buildings less valuable than those now occupied by them. In Manantoddy and Vayitri accommodation in pukka buildings is, I consider, quite necessary, and the present arrangement should therefore be continued.

Transferred to the Public Works Department.

Office-note from the Examiner, Public Works Accounts, dated Madras, 5th August 1891, No. 4420.

[Your office-note No. 3475 C. of 28th July 1891.]

Returned with the following remarks:—

(1) The figures given in the last column of the statement from the Inspector-General of Police have been checked and found correct.

(2) Under code para. 1041, rule VI, note 2, it is for Government to fix any rate of rent, subject to a minimum of 5 per cent. on the salary and local allowances of the officers who are not already charged rent under any other special rule of the Government of India and whose pay exceeds Rs. 25 but does not exceed Rs. 100 a month.

In reply to your reference on C. N. 1309 dated 25th March 1891, I have the honor to report that the Superintendent of Police, Trichinopoly states that huts in Reserve lines are not such as can be occupied by Europeans. The Superintendent, Salem consents to use a hut for European Head Constable. In Malabar the Superintendent reports that in Wynaad climate European Head Constables prefer living in pukka buildings to living in Constables' huts in which no proper accommodation is available.

* I have seen this hut and it can be converted into fairly comfortable quarters for an European Head Constable.

2. The building in Trichinopoly was taken over from the Medical Department for the occupation of the European Head

Head Constable who found it impossible to get a conveniently situated house within the limits of his station range under a rent of Rs 5 per mensem.
