4th September 1891, No. 2353 W., Public Works.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

Read—the following paper :—

From Major D. McN. CAMPBELL, R.E., Superintending Engineer, V Circle, to the Inspector-General of Registration, dated Chepàk, 29th July 1891, No. 449 T.J.

With reference to G.O., No. 3326 W., dated 13th December 1890, I have the honour to forward plans and estimates for constructing two Sub-Registrars' offices—one at Peralam for Rs. 2,990 and the other at Tiruppundi for Rs. 3,370—in Tanjore district for your countersignature and submission to Government for early sanction.

2. The estimates have been prepared according to the revised type design circulated with G.O., No. 2230 W., dated 21st July 1888; but, as Mangalore tiles are to be used, the slope of the roof has been altered in both the buildings.

3. Funds to the extent of Rs. 2,700 having been provided in the current year's budget for each of these buildings, I request that you will be good enough to obtain the sanction of Government at your earliest convenience.

No. 3560 G.

Submitted for the sanction of Government.

2. The necessity for the construction of buildings at Peralam and Tiruppundi was brought to the notice of Government in my endorsement on the Tanjore Registrar's letter read in the Proceedings of Government, dated 11th December 1890, No. 1965, Judicial.

Madras,
6th August 1891.

(Signed) S. SRINIVASA RAGHAVAIYANGAR,
Inspector-General of Registration.

Approved and transferred to the Public Works Department.

(By Order.)

Ootacamund,
17th August 1891.

(Signed) A. BUTTERWORTH,
Acting Under-Secretary.

Note by the Chief Engineer, Public Works Department.

The estimate is submitted for sanction with the remark that the pitch of the roof as *per* type design, *viz.*, one-third the span, should be adhered to.

(Signed) J. PENNYCUICK, Colonel, R.E.,
Chief Engineer, P.W.D.

Order—dated 4th September 1891, No. 2353 W., Public Works.

The following estimates are sanctioned under Provincial, and classified as Civil Buildings, Original Works:—

	RS.
(1) Constructing a Sub-Registrar's office at Peralam in the Tanjore district, No. 55 W., of 1891-92	2,990
(2) Constructing a Sub-Registrar's office at Tiruppundi in the Tanjore district, No. 56 W., of 1891-92	3,370

2. Attention is drawn to the note by the Chief Engineer, Public Works Department, above recorded.

Letter No. ..

Dated 17th August 1891

From the Judicial Dept.

TECHNICAL NOTE.

Constructing Sub-Registrars Offices at Tiruppundi and Peralam. Tanjore Dist.

Sub Registrars Office at Tiruppundi	Rs 2715	3,370
Do. Compound wall	655	
Sub Registrars Office at Peralam	Rs 2445	2,990
Do. Compound wall -	545	
Total amount		Rs 6,360

The above estimates are prepared with reference to G.O. No. 3326 W dated 13th Decr 90 and they provide for constructing Sub Registrars Offices as per revised Type design circulated with G.O. No. 2230 W of 21 July 1888 with the exception of the foundations and a slight deviation in roofing. In the former the depth of foundations

are

Ag 1078

M.S. VIII

2353/7

are increased so as to suit the nature of the soil and the latter the pitch of the roof is reduced from 1/3 the span to 1/4 owing to the provision of Mangalore tiles instead of flat and pan tiles. The necessity for this deviation is not apparent as steeper slopes are provided with Mangalore tiles, moreover the C. E. has designed the roof ~~both~~ for flat and pan tiles or Mangalore tiles vide his printed specification for tiled roofs attached to the estimate & circulated with G.O. No. 2230 W of 21.7.88. (put up for reference)

The estimate also ~~adds~~ provides for compound walls to both the buildings at the request of the Dist. Registrar.

The walls of both the buildings are to be built with brick in mortar the interior face plastered and the ~~interior~~ exterior pointed with lime; floors of the office room & verandah of 8" square paving tiles laid on 4" of concrete & that of the record room of asphalte 3/4" thick over a bed of 4" concrete.

the roof timbers with doors & windows to be of teak wood & painted.

The scantlings of the roof timbers are correct and the rates provided in the estimates are fair.

The plinth area of the building as per type design is 998 sq.ft. and the rate per sq.ft. will be for Tirupundi Sub-Registrar

Rs 2.9.11

Peralam Sub-Registrar's Office

Rs 2-6-10

Provision for compensation of land is made in the estimates.

Tirupundi Rs 101.
Peralam Rs 23.

The plans and estimates have been countersigned by the Inspector General of Registration and approved in the Judicial Dept.

22.VIII.91

I think the pitch of the roof as per standard design should be adhered to — with a pitch of 1/4th the span there is a probability of rain being driven by the wind under the tiles —
