Read the following

G. O. No. 2213 W, dated 14th August 1891.

From the papers above recorded, it will be observed that an Estimate amounting to Rs. 3650 has been sanctioned by the Subty Engineer to Circle, for improvements to the salt gollah at Tellicherry, & that provision for the work has been made in the budget estimate of the Salt Department for the current year.

2. Under para 1886 of the P. W. Code, the expenditure on all works carried out by the P. W. Deptt for

other Departments should be treated as final charges in the P.W. accounts, and if not provided for in the P.W. budgets the necessary grant should be transferred from the department concerned. As Salt funds are classified under Imperial, and as no increase to Imperial budget grants can be sanctioned by the local Government, vide para 1546 of the P.W. Code, the sanction of the Government of India will be applied for to the transfer of Rs 4544, as shown below, from the Salt to the P.W. Deptt.
