No. 89.

Incls.

Sir,

With reference to the recent numerous revisions which have cancelled my temporary promotions extending back as far as May 1890, I have the honor to submit the following remarks and request:

1. The sum to be deducted from me including allowances is about Rs. 650-0-0 or $1\frac{1}{3}$ month's pay.

2. I have explained to you verbally how such a deduction would cause me very serious inconveniences.

3. Taking into consideration the deplorable state of my present promotion, and the almost hopeless prospect of it in the future I most respectfully request that the Superintending Engineer may be asked to recommend the following procedure.

(a) That the refund may not be deducted until I obtain future promotion. (1)

(b) If this cannot be granted, that the payments may be made at Rs. 50 per mensem. (2)

Sir,

In forwarding copy of letter to 89 dated 28th July 1891, from the Russellkonda Sub divisional office, I have the honor to recommend that the procedure suggested in clauses (a) and (b) of para 3, should receive strong support.

The money to be refunded by Mr. E. amounts now to about Rs. 700, and as his salary is already burdened with

with payment on a Life
Assurance policy and interest
on a loan, his request is
in my opinion by no means
unreasonable.

I have the honor to be

his request unreasonable. I would however
