To The Executive Engineer

His High Eastern Division

Sir,

In reply to your letter no 1821 dated
16th July 1891 I have the honor to return
the forms filled up.

I have already stated in the previous
correspondence and I now repeat that
no public quarters are available for the
Sergt Instructor that house rent in
this station is abnormally high,
that the Sergt Instructor now
pays Rs ²⁰ per mensem for the house
he now occupies and that the funds
of the Corps are unable to bear
the extra cost of housing him.

difference between Rs 15 sanctioned
by regulations and Rs 20 now applied
for.

I have &c

Letter from W. Joffe Esquire, Executive
Engineer, Kistna Eastern Division, to the
Superintending Engineer, 2nd Circle, dated
31st July 1891 No. 2,118.

24/8

I have the honor to state that on
behalf of Sergt. Instructor C. Kennard
of Kistna Volunteer Corps, compensation
for quarters at a higher rate of Rs. 20
per mensem, was claimed by the
Officer Commanding E. Company, East
Coast Rifle Volunteers.

2. The higher rate than the sanctioned
scale of Rs. 15 requiring the sanction of
Government under Appendix C, Section 11, B. 4
of P. W. D., the Commanding Officer
was requested to certify that the
funds of the Corps are unable to
bear the extra expense of paying the
difference between the rate ordinarily
allowed by the State and the actual
amount of the rent of the quarters.

3. Copy of the Commanding Officer's
letter of 20th July 1891 is enclosed from
which it will be observed that his
funds cannot bear the cost and the
rent is abnormally high at Masulipatam
as I believe it is so. No suitable
quarters can be provided by us.

4. Under these circumstances, I
have the honor to request that you
will be so good as to obtain the necess

sanction for the admission of the higher rate claimed.

5. I shall also feel obliged by your obtaining an allotment to meet charges under Imperial Military repairs. A sum of Rs. 240 is required for the current year.
