GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

Read—the following Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), dated 15th August 1891, No. 523 :—

MR. CLOGSTOUN.

Read—G.O., dated 13th August 1891, No. 745, Revenue.

ABSTRACT.—Approving the instructions issued by the Board of Revenue that careful inquiries should be made as to the inability of the parents to support the very numerous children now being gratuitously fed and brought up into good condition and that the kitchens attached to relief works be taken over and supervised and the numbers fed reported, by Mr. Buckley, and calling on the Board of Revenue to report what steps are necessary to secure more frequent payments to the labourers.

Resolution—dated 15th August 1891, No. 523.

Communicated to the Collector, North Arcot, for information and guidance.

2. The Board requests that the Chief Engineer for Irrigation will be so good as to call upon the Superintending Engineer, V Circle, to favour the Board with his opinion as to the causes which led to the irregular payments complained of and as to the best mode of remedying them.

3. In the meantime the Commissioner considers that each overseer should be employed on, if possible, one large work only in the centre as nearly as possible of the tract allotted to him and that works on which the attendance is very small should be abandoned.
