16TH JANUARY 1891, No. 43, PUBLIC.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper:—

From J. P. HEWETT, Esq., Deputy Secretary to the Government of India, Home Department (Public), to the Chief Secretary to the Government of Madras, dated Calcutta, 22nd December 1890, No. 2471.

I am directed to acknowledge the receipt of your letters marginally noted. In your letter of 18th August, you refer for orders the following cases in which travelling allowances have been disallowed by the Accountant-General:—

No. 590, dated 18th August 1890.

" 1157-A, " 20th October "

" 1713-J, " 4th Nov. "

(a) Second-grade Apothecary S. C. White, in charge of the Municipal dispensary at Bimlipatam, who was ordered to proceed to Vizagapatam for examination by the District Surgeon as to his fitness for service in Burma.

(b) Hospital Assistant Chinniah Naidu, who was ordered from Bellary to Madras to appear before an Invaliding Medical Board.

As in both cases the journeys were made in the interests of the public service and under the orders of competent authority, the Government of Madras recommend that, in the case of Mr. White, travelling allowance should be sanctioned as a special case and provision made in the Civil Service Regulations for future similar cases; and that, in the case of the hospital assistant, the provisions of Article 1250-A of the Civil Service Regulations should be specially applied and the article in question so extended as to cover similar cases which may occur in Madras.

In your letter of the 20th October, you refer for orders the case of V. Sitapati, late a gumasta in the Sattenapalle taluk of the Kistna district, who drew Rs. 19-8-0 as travelling allowance for a journey to and from Masulipatam to appear before the District Surgeon to be examined as to his fitness for further service, and in that of the 4th November, that of the late constable Jogannayakulu, of the Kistna police, who made a journey to Madras to appear before a Medical Board.

2. In reply, I am to say that the Governor-General in Council sanctions the grant of travelling allowances in the several cases referred to in your letters under acknowledgment, and to add that the provisions of Article 1250-A of the Civil Service Regulations will be extended generally to all provinces. In cases such as that of Mr. White, which are not likely to be very numerous, the Government of India would prefer that any case that arises should be dealt with on its own merits.

ORDER—dated 16th January 1891, No. 43, Public.

Communicated to the Financial, Judicial and Pension Departments, and to the Surgeon-General and Accountant-General, for information and guidance.
