OFFICE NOTE No. 4585.

To

W.

In acknowledging receipt of G.O. No. 1812 W. dated 3rd. July 1891, I would ask to be favored with orders of Government on the following points:-

- (a) Whether countersignature of the Superintendent Government Press should be obtained in all cases where printing work is done at a private press. In my ^{own} opinion this is very desirable as a protection against overcharges.
- (b) Whether to avoid unnecessary references to Government, a limit may not be fixed under P.W. Code para 855 up to which a Superintending Engineer may sanction the printing of miscellaneous forms.

FOR ORDERS.

The countersignature of
the Superintendent Govern-
ment Press seems un-
necessary; to require
it would lead to
considerable delay in
the payment of bills,
especially in the Northern
Districts, and would
possibly lead to disputes
or to litigation.

The total annual
expenditure is insignificant
in amount, and there
is no reason why a
special

special protection
against overcharge
should be necessary
for this rather than
for any other item of
petty expenditure.

P. W. DEPARTMENT.

Read the following:—

Office notes from the E. P. W. A. Nos 4585 + 4896
dated 11th + 21st August respectively.

FOR ORDERS.

With reference
to the Chief Secretary's
note on the draft order
the undersigned has
the honor to say that
he had not seen G.O.
(Financial) No 292 of
17th Feb. 1879, which
does not appear to
have been communicated
to the P. W. D. until
it was brought to his
notice by the Chief
Secretary.

The provision regarding
countersignature of
bills by the Supdt.
Genl. Press is not embodied

E. P. W. A.

in para 855 of the
P.W. Code as it now
stands, and the
undersigned still
thinks it unnecessary,
in view of the smallness
of the items which
make up the total
of this expenditure
in the P.W. D.

It might perhaps
be worth while to
require it in the
case of bills exceeding
(say) Rs 100/-.

FOR ORDERS.

I don't see any reason why the P.W.D.
should be exempted from the general
order in force in respect of all other
departments, which have to get
the countersignatures of the Sup^t Govt.
Press to all bills for private printing.
I think it is a very desirable precaution
against overcharges. The P.W.D. are
not competent to check this.
