Please let me know whether the allotments sanctioned for repairs to Churches & Cemeteries at Wellington & placed at the disposal of the Chief Engineer Military Works, vide G.O. No. 30794 d/18 Nov 1900 should in the same way be transferred to the Coimbatore &c.

To W.

It will be probably convenient to adjust all outlay incurred by the Military Works Branch in connection with Provincial Civil Works whether in Bangalore or in Wellington in the accounts of the Consulting Architect Division; please therefore, if you see no objection, have the grants for works in Wellington also transferred to the Consulting Architect Division instead of to Coimbatore.
