READ—the following paper :—

From J. C. JOHNSTON, Esq., Executive Engineer, Kurnool division, to the Superintending Engineer, III Circle, dated 26th August 1891, No. 236.

In inviting your attention to clause VIII under para. 1880 of Public Works Code, I have the honour to request that you will be so good as to arrange to have this Divisional office building at Kurnool transferred to the list of Provincial buildings.

2. This building, now occupied as Divisional office, was originally constructed from Canal funds by the late Madras Irrigation Canal Company. Since the transfer of the canal, this building is borne in the return of this department under "canal buildings" and its upkeep met from maintenance and repairs.

3. The south verandah and the building in question are sadly in need of extensive repairs to prevent leakage and damage to records, &c. The timber has been almost completely destroyed by carpenter bees. I received an estimate for Rs. 850 for the removal and restoration of the roof of the verandah. The building is *bonâ fide* occupied by the Kurnool Divisional office establishment paid out of Provincial funds and I do not quite see the propriety of spending so large an amount as Rs. 850 from the Canal funds, especially under the present restriction orders for canal expenditure.

4. Hence my proposal to erase this building from canal list and transfer it to the list of Provincial buildings in view to the present repair estimate being submitted for sanction under Provincial grant.

No. 1490.

Referred to Chief Engineer for Irrigation. The Superintending Engineer quite concurs with the Executive Engineer in the principle of this and other buildings in similar circumstances being transferred to Provincial from *Canal*.

THE SECRETARY TO THE GOVERNMENT OF INDIA,
PUBLIC WORKS DEPARTMENT.

SIR,

In forwarding a copy of the Proceedings of this Government No. 2485 W., dated 16th September 1891, I am directed to request the sanction of the Government of India to the transfer from the Imperial to the Provincial list of the building at Kurnool in which the Executive Engineer's office is accommodated.

2. The building belongs to the Kurnool-Cuddapah canal for which Capital and Revenue accounts are kept, and, under para. 1880, clause VIII (*c*), Madras Public Works Code, the sanction of the Government of India to the transfer is required.

I have the honour to be,
Sir,
Your most obedient servant,

Colonel, R.E.,
