No. 5429 of 8.9.91.

To W.

No special grade for the appointment of Consulting Architect having been fixed by the Government of India, the appointment can be held by an officer of any rank, and Captain Ellis R.E. is therefore not entitled to any officiating allowance while holding the appointment, except under the orders of the Government of India. Please see Government of India P.W.D. notification No 235 dated 20th. May 1890 for a similar case. It was only the addition of the last sentence in that notification that entitled Major S. Smith R.E. to any officiating allowance, while holding the appointment of Consulting Engineer for Railways.

2. Nor can Captain Ellis officiate as Superintending Engineer 3rd. Class during Mr. Irwin's absence, without the sanction of the Government of India, as Mr. Irwin's rank is personal and his appointment supernumerary.

3. Until the above question is authoritatively settled by the Government of India, I would propose that the draft notification appointing Captain Ellis R.E. as offg. Superintending Engineer 3rd. Class be held in abeyance.
