PROCEEDINGS OF THE BOARD OF REVENUE
(SEPARATE REVENUE).

C. S. CROLE, Esq., C.S.

READ—the following papers :—

From the Collector of Tinnevely, dated 25th April 1891, No. 169.
" " of Malabar, " 24th May " " 525-P.
" " of Nellore, " 29th June " " 1869-Ver.

Statements from Collectors of other Maritime Districts on public works relating to Customs executed by the Revenue Department during 1890-91.

RESOLUTION—dated 31st July 1891, No. 331.

The letters and statements read above are the reports of Collectors on public works relating to Customs executed by the Revenue Department during 1890-91.

2. The subjoined statement shows in one view the allotments, inclusive of transfers, for each district for the year, the expenditure therefrom on new works and repairs, and the percentage of the actual expenditure to the allotment :—

Districts.	Allotment including transfers.	EXPENDITURE.			Percentage of expenditure to the total allotment.
		New works	Repairs.	Total.	
	RS.	RS.	RS.	RS.	
1. Ganjam	370	..	220	220	59.5
2. Vizagapatam	100	..	100	100	100
3. Godáviri	800	..	620	620	77.5
4. Kistna	140	..	137	137	97.9
5. Nellore	20	..	..	..	..
6. South Arcot	..	..	..	..	..
7. Tanjore	1,410	1,072	232	1,304	92.5
8. Madura	2,430	..	426	426	17.5
9. Tinnevely	200	..	193	193	96.5
10. South Canara	450	..	410	410	91.1
11. Malabar	830	..	816	816	98.3
Total ..	6,750	1,072	3,154	4,226	62.6

3. In Vizagapatam, the whole of the allotment was spent within the year; in Kistna and Malabar, the expenditure amounted to 98 per cent. of the allotment, in Tinnevely to 96 per cent., in Tanjore to 92 per cent., in South Canara to 91 per cent., in Godáviri to 77 per cent., in Ganjam to 59 per cent., in Madura to 17 per cent., while in Nellore and South Arcot there was no expenditure. For the latter district there was, however, no allotment, and for the former an allotment of Rs. 20 only.

4. The low expenditure in Ganjam as compared with the allotment is due to a sum of Rs. 150, reserved for certain improvements to the Sea Custom-house at Calingapatam to adapt a part of it as a residence for the Sea Customs Superintendent, not having been utilized, as the Superintendent was unwilling to pay the rent fixed by the

Executive Engineer if the repairs were carried out, and preferred to find quarters elsewhere. The Collector of Godávári does not explain the short expenditure in his district. The provision of Rs. 20 in Nellore was for "unforeseen repairs" the occasion for which did not arise. The small expenditure in Madura is due to the sum of Rs. 2,000 provided for improvements to the Sea Customs house at Kílakarai not having been utilized owing to the work having been undertaken by the Public Works Department.
