Dammad, which is 23 miles distant.
The Overseer having only one horse and
a very large extent of country to travel
over, there will be great inconvenience
in getting cheques cashed. Hence the
above course was adopted by the
Executive Engineer.

3. I have therefore the honor to
request that, in the circumstances
stated above, the Examiner may be
authorized to admit the charge in
question and those that may be
incurred while the overseer is em-
ployed in his present charge as a
special case.

I have the honor to be
