SEPTEMBER.

Famine Relief Works.

Concurring in the remarks of the Board of Revenue on the list of — for 1891-92 received from the Collector of Tinnevelly.

21st SEPTEMBER 1891, No. 893, REVENUE.

GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), dated 8th September 1891, No. 561 :—

MR. CLOGSTOUN.

Read—again Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture, dated 12th August 1891, Mis. No. 4328.

ABSTRACT.—Requesting the Collector of Tinnevelly to forward early a complete programme of all civil agency works suitable for famine relief for 1891-92, specifying the works for which estimates are ready with their estimated cost.

READ—also the following letter from G. S. FORBES, Esq., Acting Collector of Tinnevelly, to the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, dated Tinnevelly, 28th August 1891, No. 164.

In reply to the Proceedings of the Board of Revenue (Revenue Settlement), dated 12th August 1891, Mis. No. 4328, and in continuation of my letter, dated 8th August 1891, No. 505, I have the honour to submit complete a revised programme of civil agency works for 1891-92 prepared in accordance with the instructions of Government contained in G.O., dated 24th February 1891, No. 140.

2. Arrangements have been made for the completion of the estimates not yet prepared. There are ample estimates ready for the works in the taluks which are at all likely to be affected by an unfavorable season.

Resolution—dated 8th September 1891, No. 561.

The revised lists of famine relief works for 1891-92 received from the Collector of Tinnevelly will be submitted for the information of Government.

2. The following abstract statement shows the estimated cost of works proposed in each taluk :—

Taluks.	PROPOSED BY THE REVENUE DEPARTMENT.		PROPOSED BY THE LOCAL BOARDS.		PROPOSED BY THE MUNICIPALITY.		Total.	Amount for which estimates are ready.
	Rs. 5,000 and above.	Under Rs. 5,000.	Rs. 5,000 and above.	Under Rs. 5,000.	Rs. 5,000 and above.	Under Rs. 5,000.		
1	2	3	4	5	6	7	8	9
	RS.	RS.	RS.	RS.	RS.	RS.	RS.	RS.
1. Srivilliputtur	..	41,080	70,000	8,250	..	..	1,19,330	6,000
2. Sator	..	14,800	37,000	12,050	..	..	63,850	49,050
3. Otapidaram	..	8,363	1,27,910	4,400	..	900	1,41,573	59,828
4. Sankaranainarkoil	..	28,073	1,05,000	5,800	..	..	1,38,873	63,833
5. Ambasamudram	..	11,630	35,000	..	..	..	46,630	..
6. Tenkasi	..	6,286	1,17,000	..	..	..	1,23,286	24,000
7. Tinnevelly	..	2,980	9,900	..	..	7,340	20,220	9,900
8. Tenkarai	..	7,000	1,82,700	..	..	..	1,89,700	12,700
9. Nanguneri	..	10,244	2,63,200	1,540	..	..	2,74,984	1,52,135
Total	..	1,30,456	9,47,710	32,040	..	8,240	11,18,446	3,77,446

3. The above sum, viz., Rs. 11,18,446, will, at an average of As. 2 per diem, afford employment for one year to 24,854 persons, or 1.3 per cent. of the total population of the district which, according to the recent census, amounted to 1,917,624 souls.

4. This provision is not adequate, and the list of works requires to be so enlarged as to provide labour when necessity arises for at least 5 per cent. of the total population of the district. The amounts entered in column 3 of the statement represent the estimated cost of the repair, &c., of minor irrigation works in all taluks except Tenkarai, where Rs. 5,000 is included for drainage works. The provision seems inadequate in several taluks, *e.g.*, Tenkarai and Nāngunéri, and the Collector should state definitely whether full provision has been made for bringing into repair every minor irrigation work needing repair in each taluk. It is not understood why "Uranis" are included as minor irrigation works, as they are usually only drinking-water ponds.
