GOVERNMENT OF MADRAS.  
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.  
Military Works.

READ—the following papers:—

From Brigadier-General E. H. EYRE, Quartermaster-General, Madras Army,  
to the Secretary to Government, Military Department, dated Ootacamund,  
24th August 1891, No. 1941 M.W.

With reference to this office letter No. 233 B. of 24th January 1889, embodied in G.O., Public Works Department, No. 337 W. of 6th February 1889, Military Department No. 1374 of 22nd idem, I am desired to report, for the information of Government, that a proposal was recently made by the Executive Engineer, Madras division, Military Works, that, after a new rest-house and Rest-house Superintendent's quarters have been provided at Arkónam, the existing rest-house be converted into quarters for the Sergeant Instructor, Madras Railway Volunteers, at that station, the early provision of which accommodation is considered very desirable, no Government quarters being available.

2. The Commander-in-Chief has now been given to understand that it is proposed to utilize the present rest-house buildings, on their vacation by the Military Department, as a Public Works Department inspection bungalow, but in order that the State may be saved the large expenditure which will have to be incurred if quarters were constructed for the Sergeant Instructor, I am to inquire whether some other arrangement cannot be made in view to the provision of an inspection bungalow for the Public Works Department, thus setting free the present rest-house buildings to be utilized in the manner above proposed.

No. 4849, Military.

Referred to the Public Works Department.

From Major C. C. RAWSON, R.E., Executive Engineer, North Arcot division,  
to the Superintending Engineer, IV Circle, dated 15th September 1891,  
No. 421 S.E.

With reference to your No. 727 N.A. of 12th September 1891, I have the honour to state that there appears to be no objection to G.O., No. 1634 W., dated 21st June 1889, which directed that the existing rest-house at Arkónam should be handed over to the Public Works Department for use as a rest-house after vacation by the Military Department, being cancelled if the building is required as quarters for the Sergeant Instructor of the Madras Railway Volunteers.

2. I think that the Military Department, if they do not require the whole of the old Sub-Magistrate's outcherry building for military rest-house and Rest-house Superintendent's quarters, might be asked to allow the remainder of the building to be used as a Public Works Department rest-house.

No. 490 W.

Forwarded to the Chief Engineer, Public Works Department, with reference to his endorsement No. 3979 C. of 8th September 1891 herewith returned.

(Signed) R. R. E. DRAKE-BROCKMAN, Lt.-Col., R.E.,  
18th September 1891. Superintending Engineer, IV Circle.

ORDER—dated 28th September 1891, No. 2588 W., Public Works.

The Government has no objection to the proposal that, after the provision of a new soldiers' rest-house at Arkonam, the existing rest-house shall be retained by the Military Department for conversion into quarters for the Sergeant Instructor, Madras Railway Volunteers. G.O., No. 1634 W., dated 21st June 1889, is accordingly cancelled.

2. The question whether a portion of the old Sub-Magistrate's catcherry, which was transferred to the Military Department in G.O., No. 337 W., dated 6th February 1889, can be allotted for use as a Public Works rest-house will be referred to the Military Department for consideration.
