NOTES.

REFERENCE TO MADRAS P. W. D. CODE,
EDITION OF 1886.

PARAS. 25 & 26.

1. The column headed "present scale" should invariably show the sanctioned scale for the time being and not the strength of the actual (whether above or below sanctioned) establishment as it happens to stand at the time. The "present scale" should be verified by the examiner before the proposal is submitted to government for sanction (paras. 25 and 26).

2. In the column "average or fixed pay," financial value, not mean value, should be given.

3. The financial value should in the case of progressive appointments be calculated as follows:—

(1) If the period of rise from minimum to maximum is 5 years, the average will be the minimum plus two-thirds, or if the appointment is a ministerial one, plus three-fourths, of the difference between the minimum and maximum (C. S. R., Art. 164).

(2) If the period of growth exceeds five years (as in the case of accountants) the $\frac{1}{5}$ th fraction should be decreased by $\frac{1}{10}$ th of the difference for every year by which the period exceeds five; the fraction for periods in excess of five years will therefore be as follows:—

$$6 \text{ years} = \frac{2}{3} - \frac{1}{10} = \frac{19}{30}$$

$$7 \text{ years} = \frac{2}{3} - \frac{2}{10} = \frac{8}{15}$$

$$8 \text{ years} = \frac{2}{3} - \frac{3}{10} = \frac{11}{30}$$

and so on; so that when the period of growth is 20 years the financial value will be the exact mean.

Submitted to the Chief Engineer, P.W.D. with a request that he will be good enough to obtain the sanction of Government to the inter-tainment of a temporary watchman from May to October 1891.

2. The Commissary Department closes the rest house every year for about 6 months until next trooping season and the building is taken over by this Department. Hitherto the charge for a watchman was met from an Estimate under Repairs military sanctioned for the purpose by this office and the Commission approved the procedure. Now he points out that the pay of the watchman should be met from the provision for temporary establishment; hence this application.

Under the explanation now given by the Superintending Engineer 4th Circle from which it appears that the building is not a departmental rest house within the meaning of the note to Code para 964, the charge for a watchman will be accepted under "military repairs" in accordance with code para 964.
