Read again Board's Proceedings dated 4th July 1891
No 3473 M. B. S. requesting the Examiner of Public
Works Accounts to furnish a statement showing
expenditure on P. W. works in the affected
districts since January last.

Resolution

The Board requests that the Examiner of
Public Works Accounts will be so good as to expedite the
statement of expenditure incurred on public works called
for in Proceedings dated 4th July 1891 No 3473 and
promised in his letter No 24243 dated 29th July 1891. It
is requested that the information may be furnished up to
the end of August 1891 for each of the affected taluks
noted and for the periods specified in the accompanying list.

2. The information regarding the expenditure on
Public Works in each month during the prevalence of distress is
wanted by the Board and Government and the Board will be glad
if the Examiner could see his way to instruct the officers in charge
of the works to furnish the collectors at the end of each month
with a statement showing approximately the amount disbursed
on account of works carried on in the affected taluks. The
expenditure on works carried out in these taluks for which
regular budget provision was made and which would have
been carried out irrespective of the existence of distress should
be shown separately.
