2

W.

Your office note No. 354 C. dated 22nd.
January 1891.

The audits on account of income tax from members of the P.W.D. Madras including Works Establishment to end of November 1890 i.e. for the first 9 months of the year amount to Rs. 27,881 as follows:-

For 8 months ending October 1890.....	Rs. 24,563
do for November 1890,,	3,318
Total	<u>Rs. 27,881</u>

2. Basing the calculations for the remaining portion of the year on the audits for November 1890, the revised estimate for 1890-91 may be taken at Rs. 38,000 against Rs. 43,000 taken last year. This difference is mainly due to the abolition of the Presidency and Nilgiri Divisions in consequence of the transfer of Military Works from under the control of Government to that under the Inspector General of Military

Works and to the establishment of the East Coast Railway having been transferred to the audit of a separate officer who will estimate for it separately.

3. The budget estimate for 1891-92 may be taken at the same figure viz Rs. 38,000.
