OFFICE NOTE No. 5821.

To

W.

The Executive Engineer Vizagapatam Division has brought to notice a difficulty he has experienced in filling in column I, part I, of form No. M. 138 A. i.e. the "alphabetical index to the register of attestation and reattestation of service books", and suggests the desirability of doing away with column I, of this part of the form altogether. The difficulty experienced is described by the Executive Engineer in the following words:-

" Difficulty arises as to the item No. to be given when, after arranging all the names of the members of the Establishment in the division in the alphabetical order with consecutive Nos, other entries have to be made in consequence of new appointments and transfers from other divisions etc."

and as I concur in the opinion expressed by that officer that the entry of item No. in the alphabetical index is

not suitable I forward herewith for
the approval of Government a draft
standing order expunging column I of
part I of the form.
