For orders.

The two works named are entered in the current years provincial Budget with allotments of Rs 10000 each, with the remarks "estimate is awaited".

The estimates cannot be submitted until the new type design for taluk offices is issued.

The Rev. Dept has promised to return the type design very shortly, but even if received within the next few weeks, it will be some time before the lithographed copies are ready for issue.

Perhaps it will not be advisable
